

# Business Award for Osiris Projects

Osiris Projects, UK, has won the Wirral Investment Network Medium Business of the Year award. The event, held at the Hillbark Hotel, Frankby, was attended by Wirral-based organisations from a variety of industries who contribute to the economic success of the area.

Osiris Projects has experienced significant growth over the past year, investing heavily in both physical assets and employee development. This has been recognised by the Wirral Investment Network, who promote and empower the borough through positive regeneration and sustainable economic growth.
