

# Unique Group Acquires GSE Rentals

[GSE Rentals](#) (Geophysical Survey Equipment), established in Aberdeen, UK, has been acquired by Unique Group. The company is now wholly owned by Unique Group and the company's workforce will be retained. Former owner, Stan Moroney, will continue as business advisor and consultant to Unique Group. GSE Rentals will continue to operate from its facility in Aberdeen, a short distance from Unique Group's UK headquarters in Dyce.

Unique Group has more than 20 years of survey rental experience globally. By acquiring [GSE Rentals](#), it can strengthen its presence in non oil and gas markets, with a focus on offshore renewable energy projects, submarine cables, dredging, ports and harbours and civil projects.

## Further Investments

Stan Moroney, the former owner of [GSE Rentals](#), said that becoming part of Unique Group will allow GSE Rentals to invest further in their rental pool and ensure to have all the skills and equipment to meet the clients' needs now and in the future. For the past 25 years the company have been supplying the latest technology, supported by the staff, and they will continue to supply the same high level of expertise and support to the clients.

Unique Group recently acquired Oceanwide Safety at Sea, the market leader in the design, construction and maintenance of self-propelled hyperbaric lifeboats. Oceanwide's Rotterdam office has increased Unique Group's access to new clients across the Antwerp, Hamburg and Bremen seaports.
