

# UTEC Survey Appoints Head of Finance

UTEC Survey, an Acteon company, has announced the appointment of Caroline McGovern as its new head of Finance. Caroline is a Chartered Accountant with the Scottish Institute (ICAS) and holds a bachelor of science degree in Business Management Studies and a Diploma in Marketing. Based in Aberdeen, Scotland, Caroline leads UTEC's global finance and compliance efforts, and participates in a number of other strategic projects.

Before joining UTEC, Caroline was the CFO for MOL Energy UK where she was a founding director of the business which grew to comprise ownership of 20 North Sea exploration and production licenses. Prior to that, Caroline was Finance Manager for EnQuest PLC, where she spent four years leading and supporting the finance function through their initial IPO listing on the UK stock market, and the company's subsequent asset consolidation and growth period.
