

Australasian Hydrographic Symposium 2015

The AHS will be hosting the Australasian Hydrographic Symposium 2015 in warm, sunny Cairns from 3 to 7 November 2015. Cairns is the gateway to the Great Barrier Reef and is a beautiful, tropical city in northern Queensland – a great place to be, particularly for anyone in wintery northern climates..... We look forward to seeing you later this year.

For more information

Visit the AHS website at: www.ahs.asn.au/AHS.html
