

# Jim Robinson Appointed as Phoenixâ€™™ Senior Project Manager

USA-based Phoenix International has appointed Alexander (Jim) Robinson as a senior project manager overseeing Oil and Gas projects growth and development, safety and operational procedures, and estimating. Jim will be an integral part of the organisation as it grows to meet the needs of Phoenix' customers in the Oil and Gas marketplace.

With more than 30 years experience and knowledge in the offshore construction industry managing projects in the Gulf of Mexico, Mexico, West Africa, SE Asia and the Middle East, Jim brings to Phoenix a unique skill set that will have an immediate impact on the speed and efficiency of how we provide services to our clients worldwide.

Mr. Robinson holds a bachelor's degree in Business Administration from the University of Maryland, a Commercial Diving accreditation from the College of Oceaneering in Wilmington, CA and he is an International Marine Contractors Association (IMCA) Saturation Supervisor.
