

# Marketing & Communications Manager Appointment for RTsys

In the scope of its development, RTsys (France) has appointed Anne-Laure Milhe as Marketing & Communications manager. She has 17 years' experience in international marketing of marine industry, especially in the marine energies, research, offshore and defense businesses.

Anne-Laure Milhe graduated in Management, Sales & Marketing from Brest Management & Business school in France. She previously held the position at Mors Environment in 1997, becoming Oceano Technologies and then iXsea after merger in 2002. Activity covered navigation, positioning and imaging solutions and services. Anne-Laure then worked as a communications and press relations consultant, specialising in marine business and sciences. She then joined IN VIVO, a marine environment and oceanographic consultancy company, in 2012.
