

Scholarships for UCL MSc Hydrographic Surveying

Up to GBP17,500 in scholarships are available for students embarking on University College London, UK, MSc programmes in Surveying and Hydrographic Surveying for September 2013 entry. The awards will be based on excellence, as demonstrated by academic record and professional experience.

There will be five awards of GBP2,500 for the best UK or European candidates and 1 award of GBP5,000 to the best overseas candidate, to those [applying for either the Masters course in Surveying or the course in Hydrographic Surveying](#).

Each applicant that is eligible for either of the awards will be considered for funding. The selection process will take place after 3 August 2013 deadline for applications. Successful applicants will be contacted by mid-August.
