

# 10 Years Seabed Celebrated with Multibeam Quiz

Hydrographic professionals are challenged at the occasion of the 10th anniversary of Seabed, based in Amsterdam, The Netherlands. Seabed opened its doors at 9 March 2004 and has chosen to celebrate this milestone, asking three questions to be answered – the winner can look forward to a bottle of brandy. During Oceanology International, glasses will be raised on 11 March 2014 in Stand H650.

To qualify into the quiz, participants need to answer three questions:

- What is the prize of the complete set on the image?
- What is the weight of the set?
- What is the prize per kilo?

The answers can either being [submitted by e-mail](#) or answered by adding a [post on the Seabed Facebook page](#).
