

# AML Oceanographic Appoints Asia-Pacific Sales Manager

AML Oceanographic is welcoming Jackie Guo as sales manager for the Asia-Pacific region. With over 10 years' experience working with private, government and higher-education sectors in China and Canada, Jackie combines his knowledge of Eastern and Western cultures to support his clients. He will be working out of AML's Nova Scotia location.

Originally from China, Jackie came to Canada in 2005 where he completed his MBA in International Business from Saint Mary's University in Halifax, Nova Scotia. Prior to joining to AML, he was the Business Development manager for Hawboldt Industries, responsible for promoting and selling customised winch solutions in Asia.
