

Do you have an Idea for Hydro International?

Hydro International publishes articles on all aspects of hydrography. You can find case studies of revolutionary findings, thoughts of leading hydrographers, reports of the best hydrographical events, articles highlighting the companies you should keep in mind, and much more.

Submit New Ideas, Stories, Developments or Articles

We're open for suggestions for articles, news, reports, papers and more. Just let us know - [submit your suggestions now](#).

Your Contributions are Welcome

Would you like to contribute to our bi-monthly magazine *Hydro International* or our website www.hydro-international.com? Just send your contribution or idea to our content manager, [Cees van Dijk](#), and he will contact you about the article guidelines and the submission process.
