

# First MEOST Conference and Event

The first MEOST event took place in Abu Dhabi this week, co-hosted with the World Future Energy Summit. MEOST paid special attention to the maritime developments in the Middle East and offered a programme with a variety of interesting keynote speakers. Hydro International gives a photo impression.

Overview MEOST exposition

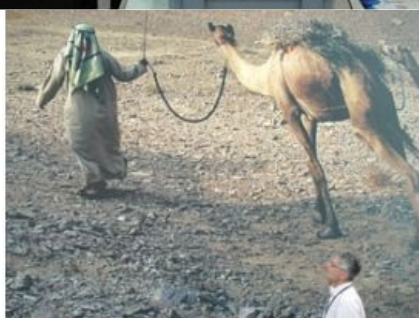

CARIS hosted a workshop

Demonstrations at the ODOM booth

DMSE was at the show, explaining about their work

Hydro International's editor, Cor Beemster, chasing a camel

Fugro had a dominant presence during the tradeshow and conference.

Welcoming sponsor sign at the entrance of the show.

The Gardline Guys

Hydro International was a media partner of MEOST.

It's clear you don't only see suits in Abu Dhabi!

ODIM Brooke Ocean was present at the trade show

A player like RESON can not be missed out

Builders in water: the Dutch entrepreneurs attended as Dutch Ocean Group
