

Five-year Offshore Contract

G.O.S.S. (North Sea) Ltd, a wholly owned subsidiary of G.O.S.S. Consultants Ltd, UK, has been successful in securing a contract from Shell for the Provision of Geophysical, Geotechnical and Survey Representatives. The contract will commence on 1 February 2013 and run for five years.

The agreement will involve the supply of personnel to Shell Upstream Europe business entities Shell U.K. Limited, Nederlandse Aardolie Maatschappij B.V, Shell E&P Ireland Limited and A/S Norske Shell.

Professionals interested in working on this project may contact G.O.S.S.
