

# Hatteland's Quality Control Department Expands

Hatteland Display has appointed Thor Ostrem as Quality Manager at its production facility in Nedre Vats (Norway). At the same time, Bente Blikra joins the Quality Control Department as Quality Assistant.

Thor Ostrem, 50, was previously headed the aircraft maintenance department at Wideroe Flyveselskap AS, a Norwegian airline company.

Following the launch of several new product lines over the previous year, production has risen. Hatteland Display is committed to ensuring the quality of products that leaving the

factory.
