

# HYPACK 2017 Registration Open

The 24th HYPACK Training Event in New Orleans, USA is to take place from 9-12 January 2017. This training event will offer instruction on the newest features of HYPACK 2017 as well as comprehensive training for both novice and experienced users. Registration has opened and until 30 September 2016 applicants can make use of the early bird rate.

This event is an opportunity for attendees to receive unparalleled training in [HYPACK's hydrographic software packages](#), HYPACK, HYSWEEP and DREDGEPAK. HYPACK certified trainers and programmers will also be present for one-on-one sessions, giving attendees the opportunity to discuss any project specific questions. Registration is enabled through [HYPACK's website](#).

The exhibit floor is sold out. Thirty of the industry's leading companies will be exhibiting at the HYPACK 2017 Training Event.
