

# HYPACK MAX Version 4.3

HYPACK, Inc has released HYPACK MAX version 4.3. The new version includes support for UKHO ARCS charts and contains the OSTN97 and OSTN02 transformation models.

HYPACK , Inc. has announced the sale to Dredging Corporation of India ( DCI ). DCI has placed an order for 7 licenses of DREDGEPACK real time dredge monitoring systems and licenses and 2 HYPACK MAX Hydrographic surveying licenses. These orders will be supplied and installed by our Indian Agent ASB Systems.
