

More Staff TEI US Offices

TEI has appointed Jim Howell to its growing sales force. Mr Howell, who will be based at the TEI Houston office, has extensive experience in domestic and international markets, with an emphasis on Latin America. He joins TEI from CGG Americas, where he gained experience selling marine geophysical software and data analysis services to the international petroleum exploration industry.

TEI also welcomes two new engineering professionals to its Portland office. Nicole Stagner has a BA in Marine Science and her specialisation is digital spatial data acquisition, processing and presentation.

Vince Price is a Senior Software Engineer with more than a decade of Windows software development experience. Mr Price holds a Bachelor's degree in Computer Science and his expertise ranges from embedded systems design to network protocol integration.
