

Pascal Bounin and Marc Leene to Join Atlas Professionals

In March 2016, Pascal Bounin will join Atlas Professionals as the new Marine manager. From then, Marc Leene is joining Atlas Professionals as Energy manager.

After 12 years working offshore, Pascal Bounin will bring his experience to develop new business opportunities for personnel and contractors. He expresses to be pleased to be able to challenge the market and gain new business through the cooperation of Atlas' offices worldwide.

Marc Leene is delighted that he can help Atlas and the energy team drive the goals and ambitions of the organisation forward.
