

Phoenix Welcomes Bayou Vista General Manager

Phoenix International Holdings has appointed Troy Turner as area manager for its Bayou Vista, Louisiana location in the USA. In this position, Troy will be responsible for overseeing and directing the day-to-day activities of the office, and actively pursuing growth opportunities for all Phoenix services in the area.

Throughout an Oil and Gas career that spans over 28 years, Troy has garnered a vast amount of knowledge and experience in the commercial diving industry by working through the ranks as a tender, diver, supervisor, project manager and general manager. As a professional commercial diver for over half his career, Troy possesses a commitment to safe diving practices and procedures and is an industry advocate for diver safety.

A graduate of the Commercial Diving School at the College of Oceaneering, Troy has completed extensive leadership and team performance training and participates in several charitable organizations benefiting those in need in the Oil and Gas Industry.
