

Registration Open for Underwater Intervention

The annual event for commercial diving contractors, remotely operated vehicles, manned submersibles, and all other aspects of the underwater operations Industry is to take place at the Morial Convention Center in New Orleans, LA, USA, from 10 to 12 February 2015. Registration for the event now is open.

New categories are available for military personnel, federal agency personnel, and public safety personnel. Uniform, department badge, and/or department ID will be required onsite when delegates making use of these facilities pick up their registration materials. The [registration for Underwater Intervention](#) is available online.

Underwater Intervention's sponsoring organizations are non-profit, membership supported professional organizations. By supporting Underwater Intervention, delegates and companies are supporting and giving back to the industries and communities represented at Underwater Intervention. Proceeds from the annual conference go back into member driven programmes that support education and training, provide scholarships and support safety initiatives throughout the underwater operation industries.
