

Teledyne Optech Reinforces Chinese Office

Mr Wenjie Wang has joined Teledyne Optech in the position of general manager for China. In his position, Wenjie will work in Teledyne's growing office in Beijing to provide his experience to existing and prospective clients. Mr. Wang will report directly to Don Carswell, president of Teledyne Optech.

Mr. Wang has more than 20 years of experience in the surveying and mapping industry. Prior to coming to Teledyne Optech, Mr. Wang worked in senior management roles in Intergraph Corporation and Leica Geosystems for sales, marketing and support. Wenjie's responsibilities as general manager include overall responsibility for Teledyne Optech in China, including expanding the team to strengthen sales, delivery, training, local inventory and client support. He holds a bachelor's degree in engineering from Xian Highway

University.
