

# The ECDIS Revolution Confirmed

Now entering its 6th year, the date for the 2015 e-Navigation conference has been confirmed as Tuesday 3 November 2015. The event will be returning to be hosted on the HQS Wellington in London, UK.

The format for this year's conference has been adjusted to a gathering of the Special Interest Group on Monday 2 November 2015 to which only SIG members will be attending, followed by a reception on the Monday evening (location still to be confirmed) for all delegates. The conference is then scheduled on Tuesday 3 November.

Agenda, speakers and further details will be provided on the [ECDIS Revolution website](#). Bids from possible speakers are being taken.
