

# UTEC Survey Manger Appointed

Carlo Pinto has joined UTEC Survey Construction Services, UK, as the regional sales & marketing Manager. As part of the UTEC Surveyâ€™s Aberdeen team, he will focus on developing significant new business opportunities in Europe, the Middle East and West Africa.

Carlo's extensive experience includes more than fifteen years in the offshore survey business. After starting his career working hands-on offshore, Carlos held a number of management positions with Geolab srl, Italy, and was most recently the company's commercial manager.
