

Vice-President Falmouth Scientific

Falmouth Scientific, Inc. has announced the appointment of Rick Babicz as Vice-President of Sales and Marketing. Prior to joining FSI, Mr Babicz was the Senior Product Line Manager of the Benthos, Inc. Acoustic, Modem and Locator lines. He also served as an Oceanography Officer in the US Navy. He holds a B.S. in Oceanography from the US Naval Academy and an MBA from Golden Gate University. Mr Babicz will be responsible for all sales and marketing strategies at FSI/Acoustikos.
